MANUFACTURING BATS FROM STARR COUNTY TO THE WORLD

STARR COUNTY, TX (September 16, 2009) - Founded in 2006 America's Bat Company began manufacturing wooden baseball bats for a small number of professional and amateur baseball teams. This small company based out of Roma, TX, has in a short time grown into an international success. They now manufacture and distribute baseball bats not only to major league baseball players in the U S, but also to Mexico, Puerto Rico, and Venezuela. This coming year they intend to focus their marketing to capture the Asian market.

This Wednesday the MLB approved baseball bat manufacturing company, Americas' Bat Co., is honored to have the presence of the 2009 Reynosa Little League Team who placed third on the World Series held in Williamsport, PA and accomplished a 5-1 record in the international series.

The Little League Team will be recognized with an award in a special ceremony by Americas' Bat Co., who will give each player a bat with their name engraved on it. Also in attendance for the ceremony will be the Mayor of Roma, Starr County Industrial Foundation, Mayor of Rio Grande City, Mayor of Reynosa, Mayor of Miguel Aleman, Roma Chamber of Commerce, Rio Grande City EDC and local baseball clubs. For more information please call 956.487.2709.

Where: 558 Sylvia Ave. in Roma, Texas.

When: Wednesday September 16th 2009
